### Education

**Ateneo de Davao University** Davao City, PH  
Bachelor of Science in Computer Science Expected Graduation: May 2029

**Malandag National High School** Malungon, Sarangani Province, PH  
**Honors/Awards:** Academic Excellence Award (with High Honors) | Sarangani Province April 2025  
DSTF 2nd Placer in Robotics and AI Category, PLDT Smart InnoGen Top 50 finalist

### Relevant Experience

**AgriVysor: AI Plant Crop Disease Detector** Malungon, Sarangani Province, PH  
Lead AI Architecture Researcher October 2024 - April 2025

- **System & UI Architecture (2026):** Re-engineered the application's frontend system and user interface from scratch, successfully integrating the legacy AI model into a modernized, functional Android environment.
- **AI Research & Field Testing (2024-2025):** Conceptualized the initial offline AI-driven diagnostic model, directing field-testing operations alongside local farmers to optimize real-world accuracy.
- **Recognition:** Presented the foundational technical architecture across provincial and national levels, securing a spot as a PLDT Smart InnoGen Top 50 Finalist.

**JBT Printing Shop** Malungon, Sarangani Province, PH  
Operations & Layout Design April 2020 - March 2025

- Managed weekend operations and handled front-facing customer service in a high-traffic, family-owned printing shop.
- Executed ad-hoc administrative tasks and flexible digital layout requests to ensure smooth business operations.

### Leadership

**Ateneo de Davao University** Davao City, PH  
Class President, CompSci 1-A August 2025 - April 2026

- Act as an intermediary person between students and faculty, organizing the cohort during major events, and ensuring academic deadlines and announcements are properly relayed.

**Malandag National High School** Malungon, Sarangani Province, PH  
School Head Layout Designer January 2023 - March 2024

- Partnered with fellow student designers to enhance publication aesthetics and readability, ensuring a cohesive and engaging experience for the student body.

### Community Involvement

- **Participant**, DurianPy TechTix Sprint Davao City (Feb 2026)
- **Attendee**, Google I/O Extended Davao 2025 Davao City (Jul 2025)

### Technical & Creative Projects

**RyzenHokaido: Interactive Digital Portfolio** May 2026  
Programmed a responsive neo-brutalist web application using Vite, SCSS, and Vanilla JS, incorporating custom 3D web rendering and a dual-database architecture powered by Sanity CMS and Supabase.

**EmbraceMinds Community Advocacy Site: Wix Site** January 2024  
Developed and deployed a structured school advocacy campaign website on Wix, executing the complete visual wireframing, informational layout, and cross-team asset delivery to meet the school's grading benchmarks.
